

부산대학교 금융대학원  
Graduate School of Finance

Please suggest one or two student(s) for our graduate program.

6 April 2018

To whom it may concern:

As a dean of the Graduate School of Finance (GSF) at Pusan National University (PNU), I would like to warmly invite one or two promising student(s) in your university to our graduate program. Pusan is the most beautiful coastal city in Korea. Pusan National University is a premier national university in Korea. We will launch our GSF in September 2018 with financial support from Korean government (Financial Services Commission) and Pusan Metropolitan City. To be a graduate student of PNU GSF, proficiency in English is required. Proficiency in Korean (level 3 or higher in TOPIK) is preferred. Most classes will be conducted in English except for a few classes in Korean. If an excellent student does not understand the Korean language at this stage, he/she must learn Korean before the entrance in September 2018.

**The features of our graduate program are as follows**

- The number of intake: 25 persons (maybe 5 foreigners and 20 Koreans)
- Recruiting period: May ~ June 2018
- Goal: Nurturing global financial specialist with practical abilities
- Program
  1. Three semesters with 45 credits
  2. Most courses will be delivered in English
  3. Practice-oriented education (e.g., Financial big-data analysis and Fintech)
  4. Communications between financial practitioners and students.

**Benefits and educational environments are as follows**

■ Benefits:

1. Overseas education (6 credits expected)
2. Merit-based scholarship
3. Dormitory provided
4. Financial support for CFA examination
5. Individual study space provided

■ Educational environments

1. World-class financial database
2. Cutting-edge classrooms
3. Computer and financial info. rooms
4. Financial lounge for rest

■ Faculty:

1. Inviting leading scholar in seasonal session
2. Top-notch scholars in related fields
3. Experts in financial industry

■ Qualifications for application

1. College graduate (independent of major)
2. Ability to attend English and Korean-speaking classes and math and computer coding classes

▪ More information will be found in our website (<http://gsf.pusan.ac.kr>).

If you suggest one or two excellent student(s), we will seriously consider him/her to be accepted for this program. Entrance fee will be exempted for foreign students. Additionally, we are also planning to exempt tuition fee for foreign students if they maintain GPA of 3.5 or higher.

If you are interested in my offer, please let me know by e-mail or express international mail as soon as possible, no later than April 27, 2018. Then I will send you application information in early March 2018.

We hope to hear from you soon, and this program will be a small bridge between your country and Korea.

Thank you very much.

Cordially yours,

Dean of Graduate School of Finance **Kwangsoo Ko**
